### **REGISTRATION and HANDBOOK**

All dogs (including Novice) must have a North American Dog Agility Council (NADAC) Dog Registration number when entering a trial. Entries cannot be accepted for dogs entering using "pending" in lieu of a number.

If exhibitors have not listed a legitimate NADAC registration number, their entries cannot be accepted. NADAC registration numbers are alphanumeric sequence that begins with a 1, 2, 3, 4, 01-, or 02-. A legitimate registration number could be 1A333, 4F333, 01-23555, etc. Human membership numbers in NADAC start with an "M" followed by another letter and three digits; they cannot be accepted as dog registration numbers. Information for obtaining NADAC registration numbers can be found at [www.NADAC.com](http://www.NADAC.com)

Jump heights are described later in the premium and in the current NADAC Exhibitors Handbook. Be sure and check them out. The current Exhibitors Handbook may be downloaded from the NADAC web site: [www.NADAC.com](http://www.NADAC.com)

Exhibitors may request a hard copy of the current Exhibitors Handbook by sending \$5.00 to:

**North American Dog Agility Council  
P.O. Box 1206  
Colbert, OK 74733**

**Please check the NADAC Handbook for the updated rules.**

**IMPORTANT.** Please check your dog's NADAC registration number on your trial confirmation as soon as you receive it; also, please check the copy of the results posted at the trial. You should report any errors to the Trial Secretary immediately.

NADAC records trial results as they are submitted by the host clubs/ groups. The individual trial results submitted by the club are uploaded to the files section of the [NADACAgility@yahoogroups.com](mailto:NADACAgility@yahoogroups.com) list within two weeks after the NADAC office receiving them from the club. The trial results will remain on the list for at least thirty (30) days. Please accept the responsibility to review those results, and check that your registration number and qualifying points, as reported by the club, are correct. You can join the [www.NADACAgility@yahoogroups.com](http://www.NADACAgility@yahoogroups.com) list and set your settings to "no mail". You'll be able to view trial results and check for any possible discrepancies (if any) without receiving list mail. If you find an error in the reporting of your dog's qualifying points or registration number, please contact the host club. The host club is responsible for correcting any errors and informing NADAC.

**Levels.** Points earned at a higher level of a class, prior to the completion of the lower level title, will no longer be banked by NADAC for future use. If a dog earns points in a level of a class that they are not eligible to title in, those points will not be added to the dog's records.

**Proficient/Skilled Categories:** Each class will be split into these 2 categories.

In the **Skilled Category**, dogs must jump 4" lower than indicated by the current jump height table (no dog may jump less than 4"). So that means there is no 20" skilled height option.

Dogs entered in **Skilled** may incur 5 or fewer faults (course/time) and earn a 5 pt qualifying round in the Regular Class only.

Those in **Proficient** must have a clean round with no course or time faults.

**Non-Jumping Classes – Veteran Handler:**

Handlers aged 60 yrs or older may opt to enter the non-jumping classes as a **Veteran handler** and receive 10% more standard course time. This division is for handlers only.

## NOTICE TO EXHIBITORS

The safety of the dogs is our primary concern. By entering this trial, exhibitors declare that their dogs are familiar with and able to perform all obstacles safely and that they are knowledgeable of the NADAC rules and regulations including, but not limited to:

- All healthy, trained dogs at least 18 months of age, including purebred and non-purebred are eligible to compete in NADAC agility trials.
- Bitches in heat, lame, or blind dogs are ineligible for entry, as is any dog with a deformity that may cause a judge to not be able to reasonably assess the dog's ability to function and perform agility obstacles safely and in a manner that is in the best interest, health and welfare of the dog.
- Any dog that demonstrates aggression towards any person or any dog, whether inside the ring or outside the ring, must be excused from the agility trial.
- Any dog that the judge feels is not in enough control to perform all obstacles in a safe manner will be excused from the agility trial.
- All dogs (including Novice) must have a NADAC Registration number when entering a trial.
- No leads, collars, food, toys, or other aids or devices shall be permitted on the course at any time.
- All dogs must be on leash when not competing in the ring.
- Safety and well being of the dog shall always be of foremost consideration in actions and conduct by handlers.
- You alone are responsible for the behavior of your dogs and children. If your dogs or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior, the Trial Committee can ask you to leave the show site.
- The organizations' Trial Committee may refuse any entry on the basis expressly provided through NADAC rules and regulations or guidelines established by the NADAC Board of Directors.
- The sponsoring club will not be responsible for the loss or damage to any dog exhibited, or for the possessions of any exhibitor whether the result is accident or other cause. It is distinctly understood that every dog at this event is in the care and control of its owner or handler during the entire time the dog is on the show premises.

---

## REFUNDS

- There shall be no refunds for entries withdrawn after the closing date. Bitches that have come into heat or any dog hurt before the trial may get a refund with verification from a vet (such as a letter).
- No refund is given if a dog or handler is dismissed from competition, regardless of the reason.
- In addition, no entry fees will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, Act of God, public emergency, act of a public enemy, strike or any other cause beyond the control of the Event Committee.
